

## Valedictorian Criteria

At W.G. Murdoch, we use the Governor General's Award criteria for the selection of the Grade 12 Valedictorian. This selection is based on academics as of the April report card. Please see below for more details:

The average includes **all grade 11 and grade 12 courses** as listed on the student's official Transcript of Grades issued by the ministry of education. The average cannot be anticipated; it must be calculated based on final results on the April report card. Diploma exam marks are not included as they will be unavailable at the time of selection.

Equitable access for the entire student population is an important aspect of the selection process. **Regardless of the stream or the subjects chosen, all students are eligible for consideration upon meeting graduation requirements.**
